Summary

I am a Computer Science Undergrad in my last year of engineering.
I am a motivated and eager-to-learn student with experience in
programming technologies like Python, C, HTML5/CSS3, etc. I know
Database technology MySQL. Currently, I am learning application
framework Django.
Apart from academics, I work as a content writer in my free time.
I have an eternal love for Traveling and Singing. I love to work
voluntarily for social causes too.
